

Name: K. Wayne Cushing

Office: Salt Lake County Treasurer

Email: wayne@cushing4treasurer.com

Website: cushing4treasurer.com

Age: 55

Occupation: CPA and Adjunct Accounting Professor

Residence: Life time resident of Salt Lake County currently residing in East Millcreek Area

Qualifications:

I am a candidate with over 35 years of educational and professional financial experience. This includes a Bachelors and Masters Degree in accounting from the University of Utah, over eight years of experience with a national CPA firm and over 20 years as a Chief Financial Officer in the private sector. From 1996 to 2009 I was CFO of a large local HVAC Subcontractor that did work throughout the country. After selling our company I began teaching accounting and doing work as a CPA. When the current Treasurer decided to retire I determined that this was the perfect opportunity for me to give back to the community. It is important that we do not lose the momentum of having someone with the financial experience necessary to lead this important county department. The Treasurer's position is an independent position and one that needs to run independently from the County Council and the Mayor's office. I am that independent source but also am one who can work with all county offices and employees and will show them the respect they deserve as a fellow servant of Salt Lake County. I am committed to this position and look forward to serving you.
